Effort Vs. Duration Vs. Elapsed Time: Project Management

Security breaches are real. It is a challenge that every organization is staring at today. A recent survey by PriceWaterhouseCoopers, "The Global State of Information Security Survey 2018", shows that business leaders are concerned about the security risks associated with emerging technologies such as automated or robotic systems. For example, 39 percent of the 9,500 interviewed executives

Create Snake's Head. Once you've created the window, the next thing we need is a snakehead. Snake is basically a turtle(in python language) that moves around. Create a turtle with the function `turtle.Turtle()` and assign it the name `head`. We set the head speed to 0 as we're just initializing in this section and the head does not need to move.
