Mars One has already started contracting established
aerospace companies that will be able to develop the
required systems. All systems require design,
construction, and testing, but no scientific
breakthroughs are required to send humans to Mars
and to sustain life there.

We like to say two planes are better than one. But it is really more like 3,500 planes, 1,000 airports, and 650 airport lounges are better than one, because that is what is at your disposal when you fly with the oneworld Alliance. With oneworld, you enjoy the benefits of the collective power of 13 different, world-class airlines. All working together to ensure as smooth a trip as possible

The Florida Constitution establishes that there is ONE county court in each of Florida's 67 counties. The county courts are sometimes referred to as "the people's courts," probably because a large part of the courts' work involves voluminous citizen disputes, such as traffic offenses, less serious criminal matters (misdemeanors), and
